### **Thank YOU, Loretta!**

We extend a HUGE thank you to Loretta Smith for organizing the Silent Auction for the "Family Assistance Fund" again this year. It takes a great deal of time to plan and pull off this kind of project and to make it as successful as it has been, but in the end it is so appreciated. Loretta has a great pulse on the needs of our BHCS community and she kindly and untiringly works to help those in need.

Thank you, Loretta, from all of us!

### **Thank you FROM Loretta**

I would like to thank everyone who helped me raise money for the Family Assistance Fund. Together we brought in over \$1,000.00. I am very impressed and grateful to have the support to keep this important program running.

~~Loretta

### **Notes From the Bandroom**

Good Luck to the BHCS Jazzband who play for the tree lighting tonight, Thursday, December 1st at 4:15 PM, and at the Bay School's Winterfaire on Saturday, December 3 at 10:00 AM. They sounded fantastic at Jazz Night and I encourage everyone to come out and hear them. Also, the 5-8 Winter Concert is Tuesday, December 13 at 7:00 PM.

~~Mr. Schubeck

### **Library News**

The Book Fair will be here next week (Mon-Thurs.), during school and conferences until 5 PM. Stop by to find books for reading and gifts, and check out the Teacher Wish List board to see books they would like for their classrooms. As always, your support benefits the library!

### **PTF NEWS**

•We send a big thank you to all the people who helped to make the Holiday Craft Fair such a big success. A special big thank you to Linsley Simmons for organizing the crafter tables, Erin Williamson for organizing the food table, all of you who showed up to help set up and clean up, those who donated food to the PTF table, and those who came to shop -- it takes a lot of people to make it a success!!

### **PTF has three exciting things coming up:**

•On Sat., Dec. 17th we will host the Holiday Craft Making Workshop for kids from 10 AM-noon. We need lots of help! About 75 students come and everybody has a wonderful time. It takes about 30 adults to make it all work. If you can help, please let us know. For one of the projects we need lids from frozen juice containers.

•To raise money for educational programming, the PTF is selling *Go Local* discount cards good at local businesses. A sample card and order form is coming home with the newsletter, and the cards will be available starting Mon. Dec. 19 -- just in time to be stocking stuffers and help with last minute shopping and meals! The card is good for a whole year and makes a great gift. Our goal is to sell 500 cards, which may seem like a lot but is really just two cards per student in the school. If we sell 500, the PTF will

make \$8 per card and the person who has the card gets a year's worth of savings! A big thank you to Shawna Pasternak who contacted businesses and worked with the company that prints the cards. This will be the main fundraiser this school year and we appreciate your support.

•For all of you who have needed new "bobcat gear," it is on its way. Chris Billings has been working to bring together some old favorites, t-shirts and sweatshirts, with some new items, athletic bags, canvas bags and even a little tie-dye. Many items will be available with monogramming. By the end of next week samples should be ready for you to see in the lobby and we will be taking orders that will be ready for the holidays.

•Our next PTF meeting will be Wed., Dec. 7th at 6:30 PM in Mr. Baxter's room. We hope you can come!

•Hannaford Helps Schools certificates -- this Friday (12/3) is the last day to earn them! Stock up on qualifying items -- beans for chili, pasta, etc. Every four items earns a \$3 certificate. Look for the identifying shelf tags or search "Hannaford Helps Schools" for a list of participating brands.

•A shopping tip from Annie Rice -- Consider using the Boxtops for Education website for online shopping this year. If you shop some of your favorite stores through the Boxtops 4 Education website, you can earn free money for the school of your choice. There are so many stores to choose from. Take a look by going to:

<http://www.boxtops4education.com/default.aspx>.

Just create a simple login, designate the school of your choice (BHCS!) and begin shopping. (This link also provides a list of stores -- it is worth a look!

## Facts about the *Go Local* Discount Card

- ▶ Cost is \$10 per card. Card is similar in size to a credit card, and will be available starting Dec. 19, 2011.
- ▶ **SHOPPING LOCALLY!!!! DINING LOCALLY!!!!**
- ▶ Card is valid for 1 whole year, which means you can use your discount card over and over again....

- ▶ **SAVINGS..... SAVINGS..... SAVINGS.....** Examples of how the discount card can be used and how much you can save:
  - ▶ Purchase a card for \$10. Buy your wife flowers from Fairwinds Florist and have them delivered to her (\$5 savings), take her out to dinner at Barncastle, the amount you spend on dinner is \$50, but with your card you save \$5... **Your total savings for that day is \$10** (the price you paid for the card!).

*Help the PTF spread the savings by offering this to your family, friends and neighbors – as gifts or the opportunity to purchase. It helps the PTF, the community, and YOU!*
