Good Luck Jazzbands!

The BHCS jazz bands head out early Saturday morning to the Middle School State Jazzfest at Westbrook Middle School. All three bands competed at the District VI Jazzfest where they qualified for the state event. They will have their work cut out for them, as they have been bumped up to Division III with the bigger schools. I am very confident, however, that they will play as well or better than their competitors! They are an amazing group of kids and it has been a real pleasure to work with them this year. Wish them luck!
