Parent-Teacher Conferences Coming Up

Conferences will be held from October 21-25. You will receive notices from teachers soon. Those of you with younger kids at home, please read the next article for a great chance to have early child development screenings done.

Second Posting: Early Childhood Screening Opportunity

Together with CDS, Healthy Peninsula, and the Blue Hill Memorial Hospital, we are arranging FREE developmental screenings for children from 12 months to age 4 during our upcoming parent-teacher conferences. The conferences will be scheduled soon for all kids and will take place from October 21st to the 25th. If you have a child in these preschool years, please take advantage of this opportunity to know your child better and to assess school readiness. The screenings will be brief (15-20 minutes) and fun for the kids and parents. Please let me know if you can attend. Call me at 374-2202 or email me at dmartin@bhcs.org. Thanks! ~~Della

PTF News

A huge thank you goes to everyone who helped provide refreshments for the Making Strides Run/Walk. It was a wonderful opportunity to support a this program.

Right now the students in grades 3-8 are taking their NECAP tests. The PTF has provided healthy snacks for all the classes testing.

Watch for news about a costume exchange.

Finally, mark your calendars for the next PTF meeting on Thursday, October 10th, at 2:45 PM in the library. We will be working on our budget and making some plans for the next few months.

If you are not able to attend, check out the PTF link on the BHCS website for more information.

The Family Directory is here! The directory is being sent home today with the youngest child in each family. Please ask your child about it if you don't get one. Additional copies will be available in the office if you need another one. Many thanks to Loretta Smith and Beth Jackson for helping with this project, and Lesley Litwiller for all the word processing, and to Tracy Gandy's niece Aurora for the collating, stapling and folding!

Original Works Fundraiser

Student artwork and the Original Works order forms will be coming home next week, and will be due on Monday, Oct. 21st. Artwork created outside of school can also be submitted for orders, but must be 8" x 10.5" or 8.5" x 11." Smaller items can be mounted on paper/border to fit this requirement. This fundraiser benefits BHCS arts programs, and provides a way to give gifts featuring your child's artwork! Check out the display case in the lobby for sample products, and check with Penny Ricker or Beth Jackson with questions.

Bike found in woods. If missing a bike call Jeremiah at 374-3584 for details.
