Blue Hill Consolidated School

60 High Street • Blue Hill, Maine 04614

October 10, 2013

The New England Common Assessment Program (NECAP) is the testing instrument that Maine uses to assess students (grades 3-8) and each school's success. The tests are currently in progress at our school. Thanks to the PTF, students have a snack each day before they take a test, and teachers set up a quiet and conducive testing environment to help ensure that kids do their best. **Please make sure your child is in attendance for NECAP testing for the next two weeks.**

Health Announcement: Flu Vaccination Clinics at BHCS

The single best way to protect your children from the flu is to get them vaccinated each year. CDC recommends that everyone 6 months of age and older get a seasonal flu vaccine.

The seasonal flu vaccine protects against the influenza viruses that will likely be the most common during this upcoming season. Blue Hill Consolidated School will be offering the flu vaccine for free to all students. The clinics will be conducted the week of October 28th to November 1st. An announcement and a packet of information about the types of flu vaccine that will be offered will be coming home in the mail next week. If you would like to have your child receive this vaccination please complete the Health Screening and Permission Form. Send it back to school as soon as possible. For more information about the flu and flu vaccine, you can visit the Maine CDC at this website: www.cdc.gov/flu/protect/children.htm. If there are any questions regarding the flu vaccine and our clinics, please contact me, Debbie Candage, RN, BSN/School Nurse.

Original Works

Packets with student artwork and order forms are coming home today for most classes, and the rest will be sent early next week. Order forms are due back Monday, Oct. 21st; orders will be received by Thanksgiving. Artwork created outside of school may also be used, but must be

8.5 x 11" (which can include mounting). Product samples are in the lobby display case. Contact Penny Ricker or Beth Jackson with questions. Your orders support arts activities at BHCS.

PTF News

PTF Costume Exchange - October 15 - 31. A huge thanks to Sarah King for organizing a costume exchange. There will be a box in the lobby for donations and a rack set up so you can browse. Costume donations are appreciated and parents should feel free to make use of what is on the rack!

Keep clipping your **Box Tops for Education!** Send them in to school in a bag or envelope labeled with your student's name and class. Or you can fill up the attached collection sheet. Last year we earned over \$700 through this program.

A Note from a Concerned Classroom

Dear Parents and Kids,
We have collected 126 plastic sandwich bags that would have been thrown in the garbage during our K-2 wing lunch. We are wondering if you are interested in recycling your kids' plastic bags? For example, you can use containers that you can re-use instead of using the bags. We are trying to stop pollution of plastic bags in our school garbage.

Mrs. Hally's Second Grade Class

Spanish Classes Need.....

We need shoe boxes in good condition, for use by the Spanish and Art teachers in a collaborative "Día de Los Muertos" project. Please send your donations to school, and drop them off in the Spanish room. Gracias! Projects start Oct. 14th, so we would appreciate donations to be dropped off as soon possible.
