Please use caution near the buses!

There have been several instances lately of cars trying to move around the buses that are parked to pick up students at the end of the day. DO NOT enter the parking area if there are buses present in the loading zone. The lights may not be flashing if they are ready to leave, but at the last second there can be times when a student appears unexpectedly. If lights are flashing, and a car passes them, the driver will contact the authorities.

After School Activity Bus

The first week of the activity bus (van) was a success. Please spread the word that this service is available to kids who stay after school.

Once again, I am attaching a form that can be easily copied each week (and it will be attached to the electronic newsletter) to let us know when your child needs a ride. We need this information for planning purposes, as the van has limited seating.

Conferences Next Week

Please be sure to sign up for the parent conferences that are scheduled for next week. This is a very important way to check on your child's progress. The specialists' office hours are listed below.

PTF News

What an amazing week it has been after school at BHCS! Thanks to the fabulous support of parent volunteers, the PTF is able to offer after school clubs to over 60 students. At this time, parents should have received some communication from the sponsors of the individual clubs regarding anything you need to know.

Next Friday, January 23, at 6:30 the PTF will be hosting a **Bedtime Story Hour** featuring two local authors. Grab your teddy bears and come to the library to hear Elaine Hewes and Christina Montano read their books. Please see the

Della L. Martin, Principal

attached flier for more information and contact Heather Nelson if you have any questions. January 30 will be the Family Movie Night - Please note the date change. We will show ***Meet the Robinsons***. Pizza is for sale at 5:30 PM, with the movie and free popcorn at 6:00.

The PTF is thankful to all the people who offered to serve on the principal search committee. Doris Webb and Lisa Arhontes-Marshall will be representing the community and parents. Please feel free to contact them with any traits that you feel are essential for the new principal to have.
