A Town Meeting Thank You!

There was a good atmosphere at the town meeting last weekend, despite the lousy weather. The school budget was passed with great support. We certainly are lucky to live in Blue Hill where education is a true priority. Thank you to those who took part in this slice of American democracy.

Students Before and After School

Students who are not involved with a school activity should not be in the school building before 7:30 AM or after school. We are not able to supervise them, as staff is involved with various duties and meetings during these times. If scheduling for your family is an issue, please see me directly.

Students with late practices need to go home and return at the practice time. Coaches are aware of this. With a note, students in grades 6-8 are allowed to walk downtown after school, but they are not to return to school until the time of their late practice.

Announcements

The campaign for heart health is off to a great start. Our kids have already collected and turned in \$1,075.00! That is amazing! Thank you to each and every student who has worked hard and contributed to American Heart Association, thus far. Thanks also to parents for supporting and assisting them with this campaign. All efforts are greatly appreciated. Any amount, even as little as \$1.00 is helpful and greatly appreciated. The campaign will run until the end of April vacation so there is still time to participate. Stop by the school and check out the “Thank You” wall in the hallway across from the nurse’s office. Every student who has turned in his or her donation has a “Thank You” duck in the pond with his/her name on it. The pond is filling up quickly, but still has room for more! All donations should be turned in by April 27th.

BHCS will be celebrating **Screen Free Week** during April 27 – May 1. A sign up sheet with a list of fun after-school activities will be coming home this Friday. Sign your child up and come along too, for these fun screen-free events. There’s something for everyone, every day after school the week of April 27th – May 1st. Please send these sheets back to school next week so we can plan ahead for your after-school choices.
