June 11, 2015

Thank You, Band Boosters!

We are very fortunate to have a group of parents who compliment our dedication to the performing arts at Blue Hill Consolidated School. Over the past year, our BHCS Band Boosters have raised a considerable amount of money for our music programs. This takes a great deal of organizing! We truly appreciate the efforts they have made; one good example is the renovation to the band room. Stop in some day to see the transformation!

Thank You, Students!!!

What a fantastic performance by the musicians at the 5-8 concert on Monday! I was so impressed with everyone's level of play. It truly surpassed my expectations! It was also a great way for Mrs. Martin to remember the band and chorus as she heads toward retirement. The evening was really made special by all who helped out at the spaghetti supper and who stayed afterward to provide treats after the concert. Thank you, Band Boosters! And thank you, parents, who support us all along the way.
~Mr. Schubeck

Great Job, PreK-4 Students!

It is always a fun time at the spring concert, and the debut of the Pre-K kids was extra special this year. The voices of children are the sweetest sound to our ears. Excellent performance!

Exciting News for Colby!

Colby Lacasse is one of 10 kid bakers from all over the country chosen by the Food Network to go to a live audition in Los Angeles next week. Eight out of ten kids will be chosen for a kids baking show in July. Best of luck to you, Colby!

Library News

Please remember to turn in all library books. If a book was lost, please contact me so we can make arrangements for replacement.

Lori Wessel is Moving On... to GSA!

Lori Wessel, who has worked as a special education teacher at BHCS in grades 5-8 for the last 15 years, has accepted a position in the special education department at George Stevens Academy. We are very happy for her, but also very sad that she is leaving us. There is no better advocate for students than Mrs. Wessel, and she has been an important integral (and fun) part of our BHCS family!

Please join us for a breakfast celebration in the library on Tuesday, June 16th at 7:00 AM, and help us bid her farewell and thank her for all her years of service. We will really miss her around here.

Leaping Literacy

Summer Fun with Leaping Literacy is a FREE one-week program. Children will use art, drama, and movement to enter the wonderful worlds of their favorite books. It's a fun and exciting way for your child to explore storybooks, strengthen reading skills and let their imaginations take them for a thrilling summer ride.

Who: Children Ages 5-10 (age range is flexible based on interest and need)

When: Monday- Friday, 9 AM-Noon

Where: Blue Hill Public Library

Sessions: I. July 13-July 17

II. July 20-July 24

III. July 27-July 31

Please use the registration and waiver forms that went home last week, and return them to our office as soon as possible.

Tick season is here!

Please be sure to check your child for ticks after playing outside. We have had a few show up on our playground this spring. We have the wonderful opportunity to have recess outside, and we try to have kids check themselves when they come in, but you might want to check, too.

Yearbook Deadline

Thank you to everyone who ordered a yearbook. Payment is due tomorrow, June 12.

Della L. Martin, Principal
